

# A budget is a moral document.

The White House and Congress spend hundreds of billions on the Pentagon budget each year while health care, schools, jobs and the environment have their funding slashed. Sign up to receive alerts about actions you can take in your community to send a message to our elected officials: bring our war dollars home and fund human needs, not corporate greed! *Check the box for updates from WomenOccupy.org.*

CODEPINK is a women-led peace and social justice movement. Join us!
