

# BRING OUR GUARD HOME NOW!!

## Suggested Script for calling your Assembly Member

Hi \_\_\_\_\_ (assembly person). This is (your name). I'm your constituent and I'm working with a Coalition of groups that include many of your constituents.

I am calling to urge you to CO-AUTHOR AJR36, the Resolution to Bring Home our CA National Guard from Iraq. We need our Guard here at home ready to protect & care for Californians.

Can we count on you to help bring our guard home?

(If yes) Thank you so much. I will let Loni know.

(If no) I urge you to reconsider & listen to your constituents. I speak for most when I say we need you to act responsibly for our safety & bring home our guard.

Let us know you've called & what your Assemblyperson said. Contact Sam at (510) 524-2776 or [info@bayareacodepink.org](mailto:info@bayareacodepink.org)

For more information about the National Guard Campaign check out National Guard page on the CODEPINK website.
