

Arms Are for Hugging!

In the wake of the Sandy Hook massacre, we call for a ban on assault weapons and for background checks on all guns including those sold at gun shows. We need a comprehensive plan to address weapons in our communities and it starts with holding the NRA accountable. From the wars the American government is perpetuating abroad, to the glorification of murder in our pop culture, it's no surprise that violence is prevalent in our society.

**Continue to RISE because
ARMS ARE FOR HUGGING and not for killing!**
